CHAIRMAN'S REMARKS...

Dear Taxpayer's:

In 2017 the Board had to make a decision on selling one of our snowplows, which had aged considerably. We did advertise a "For Sale" notification and received a dollar amount that the board was very pleased with. We put the check in our snowplow fund.

The board then made the decision to hire Outagamie County to plow snow for the Town of Center. We now have only one snowplow for the town work.

The Board has approved an "Emergency Plan" for the Town of Center. We have presented the plan to Outagamie County Emergency Director Lisa Van Schyndel.

As we look at our road program, we will be doing chip sealing and smear patching. This really helps save our roads. I know that this may cause problems for some people, we just have to all try to get through it!!!!

Our town Hall will be getting a new face. The Board has decided to landscape and install curb & gutter.

We want to thank the Wide Awake Forward 4-H Club for painting our town signs and picking up the garbage along Hwy. PP in May and October. What a great community service.

Our Fire Department has traveled across the town this winter installing smoke alarms in a lot of homes. Thank you!!! Safety first.

Please remember that on August 4th the Center Fire Department will again have a Summer Picnic at the fire station.

Please take advantage in the spring, summer and fall of our park and pavilion.

Have a safe and happy 2018!

Warmest regards,

Town Chairman
Robert Toby Paltzer

Objects in Town Right-of-Way - With the exception of mailboxes, no objects may be installed within five feet from the edge of the roadway blacktop in the Town road right-of-way. The front of the mailbox should be 2 feet from the edge of the blacktop or 13 feet from the center of the road.

Working in Town Right-of-Way - No boring, filling or changes of any kind shall be made to the Town of Center road right-of-way without being approved and obtaining a permit from the Town of Center. FOR EMERGENCIES DIAL 911

For non-emergency assistance please contact:

Fire Chief, Joe Hofacker, at 920-851-5864

The department is looking for additional personnel to join. If you are interested, or know someone who is, please let us know.

ABOUT US: Firefighters have a meeting and a training night on the first and third Tuesday of every month. These meetings and trainings along with weekly apparatus inspections help keep firefighters and equipment in top condition.

FIRE SAFETY: Home fire safety is more important today than ever! Modern homes are burning hotter and faster and may only allow three minutes to escape. What can you do to improve your safety?

- Install and maintain smoke and CO alarms on every level of your home, inside bedrooms and outside sleeping areas.
- Have and practice a fire escape plan including having an outside family meeting spot.
- “Close Your Door”. A closed bedroom door can decrease the temperature in that room by as much as 900 degrees!

PLEASE HELP US! Maintain your address sign and keep it visible at all times. It is difficult for emergency personnel to locate you when number plates have become weathered or overgrown by shrubs.

Also, make sure we have the needed clearance to get an emergency vehicle down your driveway quickly. The minimum clearance needed for our fire trucks is 12 ft wide by 12 ft tall.

COMMUNITY INVOLVEMENT: Fire Prevention Week 2017 took place October 8th - 14th. The department visited St. Edward's and St. John's children during that week to educate about fire prevention and to improve familiarization with firefighters.

Fire prevention inspections are completed bi-annually. They play an important part in keeping our businesses safe places to visit.

FREE SMOKE ALARMS: The American Red Cross is providing us with a limited number of smoke alarms for installation in homes. We have already installed alarms in nearly 100 homes! These are for our residents who cannot afford to purchase smoke alarms or for those who are physically unable to install a smoke alarm. If you are in need please contact Chief Hofacker.

CONTROLLED BURNS: If you are planning to have a controlled burn, please contact Chief Hofacker. Please consider weather, wind and dryness when deciding to burn. See the Wisconsin DNR Burning Restrictions and Fire Activity website for more information.

2018 OFFICERS: Joe Hofacker (Chief), Matt Harrison (Asst. Chief & Training Officer), Keith Broehm (2nd Asst. Chief), Andy Timm (Captain), Andrey Krisher (Captain & Treasurer), Gary Blank (Secretary & Safety Officer), Craig Stadler (President) and Joe Thyssen (Vice-President).

CURRENT MEMBERS: Scott Beyer, Gary Blank, Steven Brincks, Keith Broehm, Dave Calmes, Shane Clausnitzer, Jed Court, Mike Ebben, Mike Fromm, Ryan Gengler, Matt Harrison, Chris Hofacker, Joe Hofacker, Mike Hofacker, Tom Hofacker, Brian Jacobs, Taylor Jacobs, Lee Kasten, Rod Koleske, Andrey Krisher, Cameron Kuba, Dan Kuba, George Lutzewitz Brett Miller, Kevin Pullen, Craig Stadler, Zack Stille, Joe Thyssen, Nolan Tiedt, Andrew Timm and Paul Wurl.

CENTER FIRST RESPONDERS 2017 REPORT

First Responders are needed! If you have an interest in becoming a First Responder, please contact Gary Timm at 841-6177.

Center First Responders reported to 72 calls in 2017. Nineteen were for accidents and 51 were for medical calls for town residents. Accidents saw a big increase in numbers this year. Please drive carefully! State Road 47 and County Road A see a lot of accidents. Please stop completely at stop signs as a lot of them are running through stop signs.

The first responders just finished refresher training which is done every 2 years.

Current members of the First Responders are: Jesse Ashauer, Lana Burchill, Ryan Gengler, Stacy Hofacker, Andrey Krisher, Lori Pynenberg, Matt Harrison, Keith Romenesko, Liz Kurey, Tom Schupp and Gary Timm.

I also would like to thank those First Responders who for one reason or another decided to leave the First Responders. They are Cindy Filz, Kevin Pullen, Sandra Fisher & Sue Vandenberg.

Respectfully submitted,
Gary Timm, President

FREQUENTLY ASKED TAX QUESTIONS:

There is a special assessment charge for POWTS and/or DRAINAGE DISTRICT on my taxes, what is this? POWTS is for “Private On-site Waste Treatment System” and is a special assessment from Outagamie County for record maintenance; the DRAINAGE DISTRICT is a special assessment established by the County Drainage Board for a natural water flow district on your property which they have jurisdiction. The Town has no authority over these special assessments.

My lender has told me that our tax payment was made and we need a receipt for payment, can you provide one? Yes, but not until the payment has been received at the Town Hall office. Many times lenders/mortgage companies will “release payment” for the amount of taxes but will hold the payment until or near the due date. Please check with your lender/mortgage company as to their payment policy. Again, the payment date used will be the post-mark date on the envelope.

I need a dog license, can I include the payment with my taxes? It is preferred that a separate check be written for your dog license(s). It is a good practice to renew your dog license(s) when you pay your taxes! Dog licenses expire December 31 of each year, generally the new tags for the year are available the first week in December. Be sure to include your Certificate of Vaccination and a self-addressed, stamped envelope for your new license. (***More dog license information on page 9***)

BOARD OF REVIEW AND OPEN BOOK

Every year the Town must hold an open book session for review of property assessments after the assessment rolls are complete and Board of Review (BOR) to consider written contested assessment of property from owners. For the first meeting the BOR is required to meet within 30 days after the 2nd Monday in May. The BOR then schedules additional meeting(s) to hear contested assessments, usually between June to August. Meeting notices are published in the Appleton Post Crescent, Town website, Town Hall, Kountry Bar, and Scenic Valley General Store.
