CHAIRMAN'S REMARKS...

Dear Town Residents & Taxpayers:

I have some great news! The town received two payments from the Outagamie County Sales tax – 1st Payment of \$26,021 and the 2nd Payment of \$36,044. These funds are first time funds. The Board will put this money in the Highway Account so we can try to keep up our roads.

The second great news is that we received \$59,000 from a grant for Covid-19 recovery. Our mission was to help the Fire Department and our First Responders. We did redesign the town hall office, so our Town Clerk-Treasurer has a secure and safe office. A total of \$6,000 was donated to each of our four school districts to help with Covid-19: Freedom, Hortonville, Seymour and Shiocton.

We have decided that our Annual Town Meeting on Tuesday, April 20th, will be held in the fire station to keep a safe distance – wear masks.

I also want to thank Jean Tiedt for the office outside decorations.

As of today, March 1st, the days are getting longer and the sun is warmer.

Have a safe and wonderful summer!!

Warm regards,

Town Chairman
Robert Toby Paltzer

P.S. Please vote April 6th!

The dates of the reassessment will range from January 2021 to October 2021. The reassessment is a market adjustment using existing records and only a limited amount of properties will be viewed. The ability to enter land is subject to several qualifications and limitations, as described within the foregoing statutes. Copies of the applicable statutes can be obtained at public depositories throughout the State of Wisconsin, and from the State of Wisconsin Legislative Reference Bureau website

PROPERTY ASSESSMENT OPEN BOOK & BOARD OF REVIEW:

Every year the Town must hold an open book session for review of property assessments after the assessment rolls are complete and Board of Review (BOR) to consider written contested assessment of property from owners. For the first meeting the BOR is required to meet within 30 days after the 2nd Monday in May. The BOR then schedules additional meeting(s) to hear contested assessments, usually between June to August. Meeting notices are published in the Appleton Post Crescent, Town website, Town Hall, Kountry Bar, and Scenic Valley General Store.

COVID-19 – ROUTES TO RECOVERY GRANT:

We are pleased to inform you about the "Routes to Recovery: Local Government Aid Grants" program that the Town of Center participated in. The grant was aimed at helping local governments cover the unanticipated expenses they have incurred to meet COVID-19 recovery needs in their communities. Administered by the Department of Administration (DOA), this program allocated \$200 million in funds the State received under the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act to every Wisconsin county, city, village, town, and federally recognized tribe. The Town of Center had nearly \$59,000 in available funds to be reimbursed with this grant. The Town of Center was able to utilize these funds to transition the open concept of the town office to a transaction window in the town hall entry way. The window will allow us to continue to serve our residents while taking the necessary Covid-19 precautions and adding extra security to the office. The grant also covered eight months of operational expenses for the Fire Department and First Responders, personal protective equipment and extra sanitization needs related to Covid-19. After the town's Covid-19 related expenses were covered, we still had \$24,000 left, which allowed us to donate \$6,000 to each of the four school districts in our area – Freedom, Hortonville, Seymour, Shiocton. The schools were happy to receive the donation which allowed them to purchase much needed supplies to help with their Covid-19 Expenses.

2021 TRI-COUNTY RECYCLING GUIDE

A printable version will be available at www.RecycleMoreOutagamie.org or you can call (920) 968-5721 or e-mail recycle@outagamie.org.

The Outagamie County Recycling & Solid Waste Department Hours are every Mon-Fri, 7:00 a.m. to 3:30 p.m. and every Saturday 7:00 - 12:00 p.m. For more information and prices, please call 920-832-5277.

The Outagamie County Recycling & Solid Waste Department has expanded their education outreach efforts through their social media platforms. They post frequent updates and information on their Facebook page. They also have a Google Business site along with profiles on Instagram, YouTube, and TikTok, which was where they had a video go viral on December 14, 2020.

One of the most critical messages they need relayed to residents is that plastic bags, wraps, and films should NOT go in their curbside recycling carts. They pose a serious hazard to the recycling sorting equipment, which is why any recycling disposed of in plastic bags gets pulled off the sorting lines immediately and goes to the landfill.

Shredded paper will no longer be recyclable. Through trial and error, the Tri-County Recycling Facility has found that even if bagged, shredded paper tends to spill out and stick to sorting equipment and other recyclables and cannot be effectively recovered for recycling. In response to these issues, they have removed shredded paper from the "acceptable items" list.

Check out their fun video series at one of the social media accounts below starring "Philthy Philm" to learn more.

** It appears that the Town exceeded the budget by \$25,667. This is because the Length of Service Award CD for the Fire Department and First Responders was closed and \$104,525 was transferred to a 3rd party administrator. If that expense would be removed, the town was actually under budget by \$78,858.

FOR EMERGENCIES DIAL 911

For non-emergency assistance please contact:

Fire Chief, Joe Hofacker, at 920-851-5864

The department is looking for additional personnel to join. If you are interested, or know someone who is, please let us know.

ABOUT US: Firefighters have a meeting and a training night on the first and third Tuesday of every month. These meetings and trainings along with weekly apparatus inspections help keep firefighters and equipment in top condition.

FIRE SAFETY: Home fire safety is more important today than ever! Modern homes are burning hotter and faster and may only allow three minutes to escape. What can you do to improve your safety?

- Install and maintain smoke and CO alarms on every level of your home, inside bedrooms and outside sleeping areas.
- Have and practice a fire escape plan - including having an outside family meeting spot.
- “Close Your Door”. A closed bedroom door can decrease the temperature in that room by as much as 900 degrees!!

PLEASE HELP US! Maintain your address sign and keep it visible at all times. It is difficult for emergency personnel to locate you when number plates have become weathered or overgrown by shrubs.

Also, make sure we have the needed clearance to get an emergency vehicle down your driveway quickly. The minimum clearance needed for our fire trucks is 12 ft wide by 12 ft tall.

COMMUNITY INVOLVEMENT: Fire Prevention Week 2020 took place October 4th – 8th. The department visited St. Edward's children during that week to educate about fire prevention and to improve familiarization with firefighters.

Fire prevention inspections are completed bi-annually. They play an important part in keeping our businesses safe places to visit.

CONTROLLED BURNS: If you are planning to have a controlled burn, please contact Chief Hofacker. Please consider weather, wind and dryness when deciding to burn. See the Wisconsin DNR Burning Restrictions and Fire Activity website for more information.

2020 OFFICERS: Joe Hofacker (Chief), Matt Harrison (Asst. Chief & Training Officer), Keith Broehm (2nd Asst. Chief), Andy Timm (Captain), Cameron Kuba (Captain), Steven Brincks (Treasurer), Gary Blank (Secretary), Kevin Pullen (Safety Officer), Joe Thyssen (President) and Craig Stadler (Vice-President & Captain)

CURRENT MEMBERS: Gary Blank, Steven Brincks, Keith Broehm, Dave Calmes, Shane Clausnitzer, Jed Court, Sam Dillenberg, Mike Ebben, Mike Fromm, Ryan Gengler, Matt Harrison, Chris Hofacker, Joe Hofacker, Mike Hofacker, Tom Hofacker, Brian Jacobs, Taylor Jacobs, Lee Kasten, Rod Koleske, Cameron Kuba, Dan Kuba, George Lutzewitz, Brett Miller, Jeremy Peterson, Brennan Price, Kevin Pullen, Craig Stadler, Zack Stille, Joe Thyssen, Nolan Tiedt and Andrew Timm.

SPECIAL THANKS: All donations received are greatly appreciated! We would like to recognize Appleton Auto Recyclers for their continued donation of vehicles for our valuable “Jaws of Life” training.

CENTER FIRST RESPONDERS 2020 REPORT

Center First Responders have been serving the town for 30 years now. The group started out January 1991 with 12 residents going through the class provided by FVTC instructors and license by State of Wisconsin. The life saving techniques from 1991 to present have changed tremendously with more continuous training in advance skills by the type of calls we are responding to. The state changed the certification process to a 3 year renewal now, so the first responders work directly with Gold Cross Ambulance on a monthly basis to keep up with the certification.

Center First Responders were called to 90 calls this year, 75 were for medical calls and 15 were for accidents. Highway A and 47 continue to be where most of the accidents accrue.

Members of the First Responders are Jesse Ashauer, Lana Burchill, Ryan Gengler, Matt Harrison, Stacy Hofacker, Liz Kurey, Laura Pierre, Kevin Pullen, Lori Pynenberg, Keith Romenesko, Tom Schupp and Gary Timm for the 2020 town report.

If anyone would be interested in becoming a First Responder for the Town of Center, please contact Gary at 920-841-6177

Respectfully submitted,

Gary Timm
Service Director-President

FREQUENTLY ASKED TAX QUESTIONS:

There is a special assessment charge for POWTS and/or DRAINAGE DISTRICT on my taxes, what is this? POWTS is for “Private On-site Waste Treatment System” and is a special assessment from Outagamie County for record maintenance; the DRAINAGE DISTRICT is a special assessment established by the County Drainage Board for a natural water flow district on your property which they have jurisdiction. The Town has no authority over these special assessments.

My lender has told me that our tax payment was made and we need a receipt for payment, can you provide one? Yes, but not until the payment has been received at the Town Hall office. Many times lenders/mortgage companies will “release payment” for the amount of taxes but will hold the payment until or near the due date. Please check with your lender/mortgage company as to their payment policy. The payment date used will be the post-mark date on the envelope.

I need a dog license, can I include the payment with my taxes? Yes! It is a good practice to renew your dog license(s) when you pay your taxes! You can write out one check with your tax payment and dog license payment combined. Dog licenses expire December 31 of each year, generally the new tags for the year are available the first week in December. Be sure to include your Certificate of Vaccination and a self-addressed, stamped envelope for your new license. (*More dog license information on page 9*)
